And tomorrow ??

fedora^f

FUDCon EMEA 2012 - Paris

The future

- Tahrir / Badges
 - Reward contributors
 - Using the OpenBadges API from Mozilla
 - Integrated with fedmsg

The future

- Statistics
 - Data from fedmsg
 - Powered by datanommer

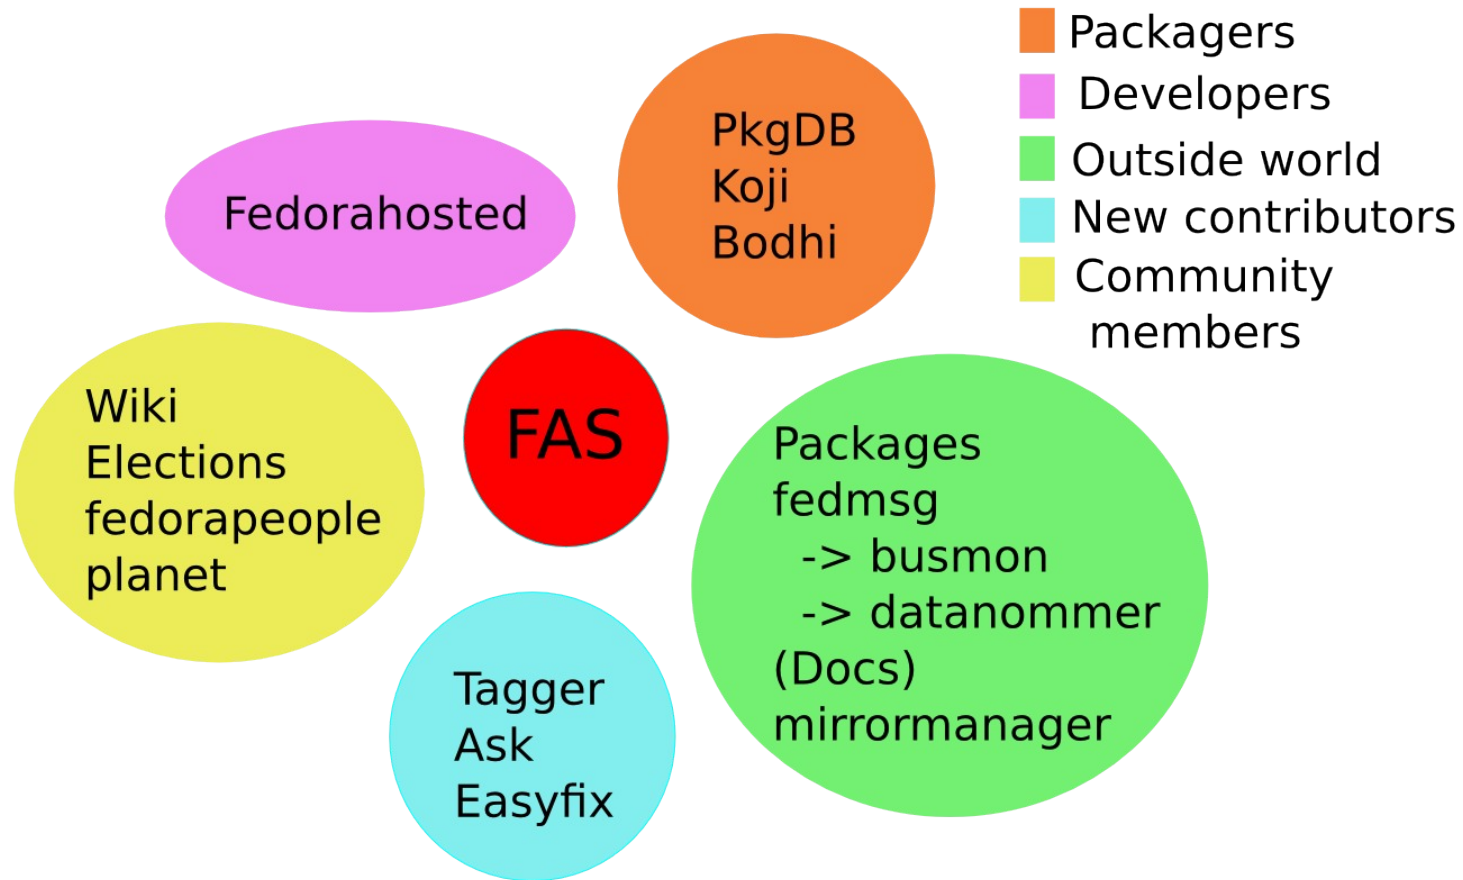

The future

- New elections
 - Change framework
 - New elections model
 - We should make a hacksession for it :)

Thank you for your attention!
